

List of IntraBioDiv Consortium members

The IntraBioDiv Consortium is composed of members of the IntraBioDiv project, as well as additional scientists, botanical experts, and technical assistants who participated to this project in relation with the official contractors and subcontractors.

The project was financially supported by the European Commission under the Six Framework Programme.

Acronym: IntraBioDiv

Title: Tracking surrogates for intraspecific biodiversity: towards efficient selection strategies for the conservation of natural genetic resources using comparative mapping and modelling approaches.
